INFORMATION FOR ALL 2010 KENDALL RECREATION PARTICIPANTS

Team Placement: When a player is "border-line" for a specific league, the Recreation Commission will determine proper league placement. To attempt to make teams as equal as possible in terms of age and ability, the Commission will make ALL final team assignments for ALL leagues. For the older leagues, there is a drafting procedure that is followed by the coaches and monitored by the Commission.

ALL registrants for ALL programs MUST have a copy of their birth certificate on file with Kendall Recreation.

Unless one is on file, please plan to provide a copy, as well as insurance information, at registration.

No registrations will be accepted without this information!!

Kendall Recreation Sports Programs are funded in part by the NY State Office of Children and Family Services through the Orleans Youth Bureau
