MAY 2017

---

We at Concordia are called to be a family of forgiven and forgiving people, instruments of God's love.

Our purpose is to proclaim the Gospel, administer the Sacraments, and to reach out and teach those without and within the congregation, challenging each other to have Christ in our DAILY lives, to give more freely in response to His incredible love.

We will do all in the Lord's name, with prayer, praise and thanksgiving, involving as many people as possible - taking care to motivate and to try new ideas.

Our mission is to love as Christ loves.

A man stopped at a flower shop to order some flowers to be wired to his mother who lived two hundred miles away.

As he got out of his car he noticed a young girl sitting on the curb sobbing.

He asked her what was wrong and she replied, "I wanted to buy a red rose for my mother.

But I only have seventy-five cents, and a rose costs two dollars."

The man smiled and said, "Come on in with me. I'll buy you a rose."

He bought the little girl her rose and ordered his own mother's flowers.

As they were leaving he offered the girl a ride home.

She said, "Yes, please! You can take me to my mother."

She directed him to a cemetery, where she placed the rose on a freshly dug grave.

The man returned to the flower shop, canceled the wire order, picked up a bouquet and drove the two hundred miles to his mother's house.

# *A Letter From The Pastor*

Alleluia Christ is Risen!

Our Easter Sunday service was a magnificent celebration, as it should be. Is there anything more worthy of our worship and joy than God's power to defeat death!?! Nothing on heaven or earth is stronger than God's love, not even death! Alleluia!

The days leading up to Easter were certainly busy, planning for Holy Week worship services, writing sermons, delivering Easter Baskets, and trying to keep up with administrative duties. But the days after Easter have been surprisingly almost as busy. I have been coordinating with 4 couples for their weddings, 1 family for a baptism, and 2 funerals just since Easter Sunday. The way of Christ – gathering people for a celebration around a meal, welcoming people into God's family, and the reminder that death is not the end but the beginning of salvation and eternal life – is alive and well at Concordia.

On a different note – This spring has also been busy with committee meetings and plans for future projects and events at Concordia. We have had improvement projects around the building coming to fruition and others still in the works, Christian Ed has diligently planned the Sunday School Schedule until our summer schedule, and other special events like the Rummage Sale are being planned. I am really looking forward to Mother's Day at Concordia when the Sunday School kids will sing and we will celebrate the baptism of Presley Cole (daughter of Mike and Jaime Cole)! Look for an informational meeting for Council to share news about improvement projects around the building and some very good news about how those projects can be paid for.

Hoping this spring provides the growth and energy that you need in your life, that the earth needs for our sustenance, and that our community needs as we love and serve God and our neighbors.

Happy Easter!

*Pr Steve*

Yorke Knapp peacefully entered eternal rest on Wednesday evening April 26th with his beloved wife Joette by his side.

On June 21, Yorke would have been 95 years young. At age 92 he became the oldest man born in Kendall.

Yorke was the oldest male member of Concordia. He was baptized, confirmed and married at Concordia. On June 21st on his 30th birthday he married Joette, making this year their 65th anniversary. He was born, lived and died in his home at 1510 Kendall Road.

Yorke and Joette's marriage was blessed with one boy, Yorke, one girl, Nyan and three granddaughters and four great grandsons.

Psalm 23:4 is often misquoted by mentioning "a dark valley." But the word "dark" is not there. It says, "the valley of the SHADOW of death." There can be no shadow in a dark place. The fact that there is shadow shows that there is a light in the valley. All death can do is to throw a shadow over the place. Shadows never hurt anyone. We have nothing to fear.

## New A/V project at Concordia

Church council has been exploring options to add a closed-circuit video feed from our sanctuary to the Fellowship Hall. We've been working with Duane Schepler about options and affordability. Duane is the "Broadcast AV Manager" at Fingerlakes Gaming and has a substantial knowledge and experience.

The goal is to be able to have a live video feed of the sanctuary available in the Fellowship Hall on a television mounted on the wall. In the past two years we have had funerals and other events where we feel we ought to have been able broadcast the worship service to the other room and council roundly agrees that the project is overdue. A camera in the sanctuary and a new TV in the Fellowship Hall would have multiple functions:

Live video and audio feed of services to the Fellowship Hall

Digital recording of the sanctuary

We could offer for weddings, baptisms, and funerals

Recording of sermons and children's programs

Posting video to social media

Smart TV in the Fellowship Hall

Movies and videos for fellowship events

DVD/Bluray player and HDMI inputs

Smart TV capability

We look forward to having and sharing more details with you about this. We are hoping for an April install date and will need to have a congregational meeting approve the expense from the Memorial Fund so we will keep you posted!

Jimmy Hartmann played the guitar on Palm Sunday and sang with the children. There are two new potential families to join the church. Cub Scout Charter Organization representative will be Heather Tomasino. Joette Knapp gave back her key and it was given to the lawn chair ladies. Euchre Tournament fund raiser was a success. There were 28 players and brought in \$1,505.00.

Christian Education: The talent show is June 4th before church. The children's sermon was a little lengthy on Easter but the kids like the Lego thing. Pastor told the Holy Week story with lego scenes.
