She will be going before the next Planning Board meeting for a public hearing for approval of a Special Use Permit, to operate a hair salon home business on her property located at 1987 Kendall Road. David discussed a letter he wrote from the Town Board a couple of years ago looking into changing RA to RR. He is working with the Planning Board and reviewing the RA regulations. David gave the board an update on the water survey and how Bart Joseph is organizing all the information on the surveys that were mailed back so far. Bart is entering information into a data base by question and street address so there will be a geographical listing, the data will be sent to the Town Engineer who will review the answers and reply's, they will also look at geographical sections to see were it is in relation to a current water line. They will make a recommendation on what to do next. There were some surveys received with some important questions that were unanswered, so they will get the Town of Kendall Engineers advice on how they should handle those. The Memorial Day Ceremony will be on Friday, May 31, 2013 and be in Morton. Next Town Board meeting is next Tuesday, April 16, 2013.
