Dear Kendall Resident,

We enclose a water survey. The purpose of this survey is to identify neighborhoods with the highest potential to qualify for grants and low-interest loans for public water-line expansion.

We are asking for your assistance to potentially qualify your neighborhood for public water. Please complete the survey and return it in the enclosed self-addressed, stamped envelope. Once we receive all the surveys, we will meet with the town engineer and grant writer to analyze the data.

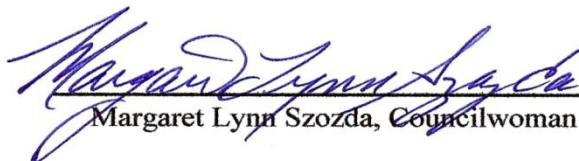

Thank you for your help. Please note all information submitted will be kept confidential.

Sincerely,

Donald Pritchard, Councilman

Daniel Gaesser, Supervisor

David Schuth, Councilman

Margaret Lynn Szozda, Councilwoman

Bart Joseph, Councilman
