Information sheet for Fences: (Sec 610)

- Fences, walls, hedges and screen plantings are permitted, subject to the following restrictions:
 - In any front yard, provided they do not exceed three (4) feet in height and shall be of decorative open type construction, such as ornamental iron, picket or rail.
 - In any rear or side yard, provided that they do not exceed six (6) feet in height.
 - On a corner lot, both yards fronting the joining streets shall be considered front yards.
 - Fences, walls, hedges and screen plantings must be three (3) feet from sidewalks, and the finished side shall front the neighboring properties.
 - Barbed wire is permitted for the containment of livestock only.
 - No fence shall cause obstruction of vision at street intersections.

- A building permit is required for all fences. To obtain a permit the following must be turned into the Town Office:
 - A building permit application, this may be picked up at the office or downloaded from the town website (www.kendallny.org).
 - A map of the property is required to indicate the location of where the fence will be going.
 - Information needed; type of fence, liner footage, who is going to install it, height of fence and location and size of gates (if any).
 - Workman's Compensation/Disability insurance forms for any contractor working at the location.
 - A \$20 permit fee is payable to the Town of Kendall when the paperwork is dropped off. Your permit and any necessary paperwork can be mailed to you when completed.

- A final inspection is required upon completion of the fence and will be done by the Town of Kendall Building Department (Please call 659-2341 24 hours in advance to schedule)
