SUPERVISOR’S REMARKS

“Today is our last meeting for 2022. The purpose of this meeting is to pay any remaining bills received between now and our last payment of claims.

Besides paying these bills, I wanted to provide a status on our three REDI Projects:

Public Culverts are almost completed with exception of the Thompson Road culvert.

Thompson Road Park: Waiting on DASNY's approval to proceed with purchases for benches, grills, and tables. Very proud of the work Warren and our highway people regarding this park.

Sewers: Monroe County granted us approval to pump into their plant. This is a major step forward. Waiting on NYS Parks approval for funding assistance and other grant funding, which is necessary for us to proceed forward.

Happy New Year to all
Keep Safe
Thank You”

PUBLIC COMMENT

David Bentley, Norway Road – as spokesman for STROUT – Short Term Rental Owners United Together, which has hired an attorney to protect the owners’ rights to use their properties as they desire, asked if the public hearing regarding the proposed laws regulating short term rentals could be postponed for a number of weeks to enable negotiations prior to the laws’ passage. The effort is to avoid legal fees for both parties, and to amicably come to reasonable regulations, and avoid litigation against the Town.

Supervisor Cammarata said the Town Board would pass that information on to its own attorney, and seek his advice, and thanked him for the courtesy of being forthright.
