SATURDAY, JUNE 28 • 5PM

Important Update

Public notifications will no longer be in the Westside newspaper. The town has switched the Pennysaver

Highway Compartment

We will be paving Center Road from Route 18 to Carr Road June 30th to July 1st.

Kendall Resident Volunteers Still Needed!

Kendall Residents Needed for Project Advisory Committee

The Town of Kendall received a Smart Growth Community Planning Program Grant from the New York State Department of State to prepare a Town of Kendall Smart Growth Comprehensive Plan. The Town's Comprehensive Plan was last updated in 1997 and significant changes in land use (e.g., solar farm installations, Troutburg Planned Unit Development), school population and resident demographics have occurred since then. Kendall was also awarded a grant from the New York State Department of Agriculture & Markets for preparation of an Agricultural and Farmland Protection Plan. Kendall is primarily an agricultural community which means this plan will be an important component of the overall comprehensive plan.

Kendall is requesting resident participation as members of this Project Advisory Committee. The Committee will help guide the planning process, participate in meetings, generate ideas and build consensus, and provide the consultant team with relevant information reflecting the community's current condition and needs.

This Project Advisory Committee NEEDS a diverse range of stakeholders and will include at least one member from the Kendall Planning Board, as well as farmers, business owners, and residents from a range of ethnic, social, and cultural backgrounds. We currently only have 5-6 volunteers and still need a Diverse representation of our town.

If you are interested in participating in this important process please contact:

Bruce Newell Kendall Planning Board Chairman

585-705-1835 planning@townofkendall.com

Save The Date

July 3rd 2026
Uncles Sam's 250th Birthday
There will be a HUGE FIREWORKS Show,
food, music, and games. Held at the
Kendall Firman's Field.

Water District 11:

Progress continues to be made as well testing has been completed and sent to Orleans County Health Department for their review and evaluation. OCH did support the findings with a letter and this letter along with a Preliminary Engineering Report from our engineer enables us to pursue funding for the district. We requested funding from both U S. Senators which we should hear near the end of June, if successful it goes to committee for final approval.

N.Y. State and USDA will both be reviewing and

N.Y. State and USDA will both be reviewing and hopefully support our request for funding of this large project.

Sewer District:

Ground Breaking Ceremony occured on June 5th.
Attendees included REDI representatives, DEC personnel, N.Y. State Parks, Kendall Town Board, Clerk, and Highway Personnel.

Both Contractors have started initial operations with staging areas established for equipment, and materials for implementation. Funding has been secured which enabled us to finally proceed.

We're very excited about both of these projects which will enhance many of our residents in the Town of Kendall.

Curtis Park Update

We are working on obtaining a map study of the park through a grant with G & G Municipal Consulting and Grant Writing. For further information please contact Barb Flow at bflow@townofkendall.com

Town of Kendall Garden Club

The Kendall Garden Club always welcomes new members. Our next meeting will be held on Wednesday, June 18, 2025, at the Kendall Town Hall. We will be having a video presentation "Whispers in the Garden" by Colleen. A garden sale will follow from June 26-28 in Clarence.

Community Church Service

The Kendall Community Church Service will be held on Sunday, August 3, 2025, at 10:00 a.m. at the Kendall Community Park across from the Kendall Elementary School. Refreshments will be provided by the Methodist Church. Please bring your own lawn chair. Everyone is invited!

SAVE THE DATE
SATURDAY OCT. 4th
10 - 3PM

2025 THEME

"SPOOKY, SCARY & CREEPY"

ENTER THE SCARECROW CONTEST

PRIZES FOR 1st, 2nd AND 3rd PLACE

Greetings from the Town Clerk

Remember big game licenses and deer management permits go on sale August 1st.

The Town does get a tiny portion of each fee spent here, and I like to see you, so please get your licenses here in Kendall.

If you require a Notary Public, please call to make sure I am in the office, or to set up a time. I am the only Notary Public here currently. There is no cost for this service.

Kendall Scouts BSA - Scouting America

Come see what Kendall Scout BSA is all about!

Kendall Cub Scouts and Troop welcomes Boys and Girls grades Kindergarten through age 17 and their families to join us as we create a safe, fun place to learn, explore and grow. Whether it's a campout, derby car race, or hike on the trail, we believe every adventure helps us uncover a little more about ourselves. We build foundations for humility and compassion-strengthening character through actions-to prepare youth for a lifetime of leadership.

For additional information call or text Ken at 585-520-9360 or <u>visit</u>
https://gfcscouting.org/

Lions club tent rentals. They are 20' X 30'. Contact Lion Zina at (585) 880-6813. We have a limited area we serve, they are \$200 in the Kendall School District and \$225 outside the district. June through September.

Also, there is eye glass collection at the Townhall.

KENDALL TOWN LIBRARY

Summer is here. The kids are home from school and no longer have access to the school library. Luckily the Kendall Town Library has a collection of children's books. There are picture books for the younger children ranging from "I Can Read" books designed for beginning readers toread to themselves to longer stories intendedfor adults to read tothem. For older children there are chapter books ranging from Diary of a Wimpy Kid toLaura Ingalls

Wilder's "Little House" books.

Come with your children and sign out some good reading this summer. They might choose books they can read on their own, but if you haven't discovered thejoy of reading to your children, now is thetime tofind a book you can all enjoy. I remember evenings on summer vacations wheremy sister and cousinsgathered round to listen to Momread another chapter of of Charlotte's Web. It was a wonderful way to wind down at the end of day of sun and fun.

Enjoy some summer reading. Not only will reading together be a memorable time for you and your kids, children who are read tobecome better readers themselves.

The KendallTown Library isavailable anytimethe Town Hall is open. Or The LittleFree Library is always open. You can findit along the sidewalk outside the Town Hall.
